

Faith Works Africa May – June 2010

Wow what God can do with 5 people who surrender to do His will

Thomas

Evan

Mike and Debbie

Thanks be unto God for calling and enabling you to join me in this amazing journey

Uganda: It was good to connect with Pastor Paul and Sarah, you are amazing servants of God. There is much to do in Uganda and much to give. Paul and Sarah you have birthed a ministry that few could achieve.... now we want to help you in raising a powerful movement of transforming Churches and community initiatives that will disciple the nation...Thank you for hosting us and caring for us.... you are inspirational living and serving Jesus amongst the poor

Miracle Valley leader's event

This was a great opportunity to minister to pastors and leaders. I estimate about 20 churches were represented some old faces lots of new ones. Real freedom for teaching. Miracles and salvations.

It was humbling to be asked to break the ground and pray over their new building project.

Bukomero night church. Hunger and thirst for righteousness. Pastor Lazarus you are amazing, God is doing great things in this church. God touched lots of people here as we preached the word of God at the night church 11:30pm -1:30am! Over 40 salvations, miracle healings and deliverance..... Release of many into gifts and ministries.... Revival is coming.... hunger and thirst for God and you will see greater things come.

Miracle Valley Church (No 2) Lady Pastor

Again a hunger for God and expand your vision as a church. Your children and youth have great potential to reach out and transform community.

Rwanda Kigali: Meetings at the Methodist Centre were just amazing. 150 Pastors and Evangelists, miracles and supernatural equipping. Impartation of the love and power of Jesus for healing and reconciliation. Widows and Orphans of genocide and HIV are typical of much of Africa but these women and children had a lasting impact on all of us. Pastor John and team you are a gift to Rwanda thank you for your love and warm welcome. We will be Back!

Bush Church Hoima road area:

We were able to bring the word and ministry of Jesus to this very precious group of growing believers. They hadn't received western ministry before and opened their hearts to us so we could minister with liberty and freedom. This church will grow.

Saint Andrews School project:

3 days of amazing work. Evan you are a gift to the nations. We were able to do far more than you ever dream. We added 4 tanks to the roof catchments and installed over 100 metres of new spouting and down pipes, over 12,000 litres of water storage praise God. **All we need now is rain!**

(It hasn't rained since we were there a month ago)

We also built new book shelves for school library books.

Mike and Thomas built a new brick cooking stove in the new cook house shelter, this should be a huge improvement for cooking staff.

Funds also allowed us to purchase a set of speakers and stands for Miracle Valley Church.

We were able to source a Broadband modem for future connecting with Pastor Paul.

We were also able to get Paul a laptop and printer to replace the stolen gear from recent break-ins.

God is so good...before leaving we were able to raise our goal of \$10,000 NZ to complete all the projects and conference costs. PTL

Kenya Exploits Church Nairobi:

This was explosive, our meetings with youth and adults were full of Gods presence and Apostolic Authority, there is something happening in this nation. We were also able to connect with a Hong Kong based Intercessors team. This team was an inspiration to watch. It was so refreshing to see people just moving about the world praying and seeking God for Kingdom growth.

Pastor Julius and team are doing a refreshing work that is touching the nations. They display a Big God picture that is easy to connect with but very challenging to flow in without supernatural faith on a daily basis. The work amongst the slum families with feeding and education was moving and encouraging. Pastor Julius and your amazing team thank you for your care and warm welcome. We will never be the same because of what the Holy Spirit did in us while we were in Kenya

Reflections: Faith is Rising Africa exceeded my best expectations by many thousands of percent. All that God opened we were able to achieve with His strengthening.

The team worked hard and experienced great fruit.

The hard work was noticed by all and has had a major impact especially in Uganda.

Prayer and the **Fathers** enabling paved the way for effective ministry of the Word of God and the ministry of the Spirit to lost, sick and spiritually bound people. Praise and worship was essential, Debbie and Thomas did anointed stuff that touched peoples lives especially in Uganda.

These doors of ministry into the nations have truly been of God. I feel we have answered this call.... Now we have to know what's next.....

Matthew 25 has been challenging reading since Africa

- * Ten virgins --- readiness
- * Parable of the Talents ---Faithfulness
- * The sheep and the goats – what you do for the least of these!
